

PCB Terminal Solder Strip, Dual-row, 20 tags

Feature

- High quality FR-4 Epoxy board base
- Tin plated brass terminal tags for easy soldering
- Suitable for wide range of cross-section of wires

Specification

PCB Material: FR-4 Epoxy glass fiber

Tag Material: Tinned Brass

PCB Dimension: 82 x 38 mm

PCB Thickness: 1.6 mm \pm 0.1 mm

Contact spacing: 8 mm

Number of Row: 2

Number of Tags: 20

Number of total contacts: 40
