

MINI SAW

18 V Maxxpack collection

The Batavia Mini Saw is a compact, light, and handy plunge saw which is suited for all kinds of materials (woods, plastics, metals and ceramics). With this compact circular saw you can start sawing on the edges of your workpiece, as well as in the middle of your workpiece. This is possible, thanks to the saw blade, which you plunge into the workpiece. You can also adjust the cutting depth. This way, you can use this circular saw for a lot of different jobs. The Batavia Mini Saw is part of the Maxxpack collection. With the Maxxpack collection you can use more than 30 different tools with only one battery and charger.

- Compact and powerful one-hand plunge saw
- Suitable for cutting wood, metal, plastic and tiles
- Adjustable cutting depth, for extra precision and control
- Suitable for plunge cuts
- With dust extraction for working

Technical information

Battery voltage:	18 V Li-Ion
No load speed:	2 – 13 mm
Max. cutting depth wood:	50 Nm
Max. cutting depth aluminum:	I: 0 – 500 min ⁻¹ II: 0 – 1800 min ⁻¹
Max. cutting depth tile:	0 – 28800 min ⁻¹
Diameter of cutting blade:	1.28 kg
Laser device:	23 × 10 × 21 cm
Product weight:	1.72 kg

Delivery includes

	18V Mini Saw
	Track
	Hex wrench
	Guide ruler
	Vacuum adapter
	HSS blade
	TCT blade
	Diamond blade

Certificates

GS, CE, EMC, REACH, ROHS, PAHS

Logistical data

Item-No.:	7064048
EAN:	4050255047844
HS Code:	8467 2230
Dimensions unit packaging (L × W × H):	41 × 16.3 × 12
Gross weight unit packaging:	3 kg
Quantity / Export carton:	4
Gross weight export carton:	12 kg
