

# Technical Data Sheet

## Contour Beard Trimmer

**General Data:**

Type Range..... Grooming  
 Warranty..... 3 Years

**Included Accessories**

Adaptor  
 Beard comb  
 Stubble comb  
 Cleaning brush

**Available Spare Parts**

None

**Application:** Beard Trimmer

**Mechanical Data:**

Length..... 172mm  
 Width..... 42mm  
 Height..... 36mm  
 Weight..... 158g  
 Housing material..... ABS  
 Housing colour..... Black+ gray

**Functional Features:**

Number of fixed blades..... 1  
 Distance of fixed blades..... 32mm  
 Fixed blade material..... Stainless Steel  
 Fixed blade coating..... None  
 Number of moving blades..... 1  
 Distance of moving blades.... 28mm  
 Moving blade material..... Stainless Steel  
 Moving blade coating..... None  
 Washable heads..... Yes

**Electrical Data:**

Power supply voltage..... 220-240Vac, 50/60Hz  
 Input power..... 3W  
 Rechargeable battery..... 2x "AA", 730mAH, NiMH batteries  
 Charging time..... 16 hours  
 Quick charge..... No  
 Max runtime in case of battery operation..... 50mins  
 Cord length..... 1.83m  
 Power consumption..... 3W  
 Motor speed..... 6000+/-800rpm  
 Noise level in operation..... 75dB  
 Plug..... EUR plug

**Protective Functions:**

Overcharge protection..... No  
 Short circuit protection..... Yes

**Temperature range:**

Operating temperature..... 15°C – 35°C  
 Storage temperature..... <= 60 °C  
 Charging temperature..... 15°C – 35°C

**Indications:**

Charger control LED..... One LED  
 Rest capacity display..... No

**Date Code:** Under the trimmer
