

# Druckschalter/-Taster Serie PBS-12x

## Ordering Information

## Specification:

1. Rating: 3A 125VAC; 1A 250VAC
2. Contact Resistance: 20m  $\Omega$  max.
3. Insulation Resistance: 500VDC 100M  $\Omega$  min.
4. Dielectric strength: 1000VAC, 1Minute
5. Electrical Life: 50,000 Cycles

## Circuitry trait

|   |            |                  |                        |
|---|------------|------------------|------------------------|
| A | ON — OFF   | Push on/Push off | With lock              |
| B | OFF — (ON) | Push on          | Momentary (Open type)  |
| C | ON — (OFF) | Push off         | Momentary (Close type) |

( ) : Indicates Momentary

## Push-button color

|        |        |
|--------|--------|
| Red    | White  |
| Green  | Black  |
| Orange | Yellow |
| Blue   |        |
