

# BuddyPhones®

SafeAudio for Kids

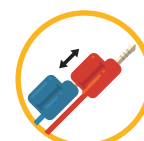

Explore+

Our most popular wired kid's headphones just got even better! Redesigned with a sleek, new look our bestselling headphones now feature a new and improved extra comfortable headband and plush ear cushions. Protecting children's hearing is the name of our game and so the BuddyPhones® Explore+ incorporates volume-limiting circuitry that caps the sound at 85dB, which is the level recommended by the World Health Organization (WHO) for kids.
